

WOOD TRADES ACTIVITY 1

**Your preparation guide to get you
ready for September**

Construction Progression 2

A circular logo featuring a hand plane, a tool used in carpentry, centered within a white circle. The text 'Construction Progression 2' is written in a bold, purple, sans-serif font, curving around the top and sides of the central circle.

Woodtrades

Level 1 Award / Certificate
Study Programme

What's in the course?

The course consists of practical, theory, maths and English (unless you have achieved a GCSE grade 4 or above) PDT (Personal development tutorials), work experience and employability.

You will need to bring

Steel toe cap boots, these **must** be worn to all practical sessions, you will not be allowed in the workshop without them.

2H pencil, sharpener, eraser and a pen, **these are needed for all sessions.**

A good attitude and a willingness to learn, these will **really** help you progress on the course.

What do I get?

By the end of the course you will achieve a L1 Award and a L1 Certificate

L1 Award

This consists of two units:

Personal Career Planning and Equality and Diversity

L1 Certificate

This consists of five units:

Introduction to carpentry and joinery

Carpentry hand skills

Use and maintain woodworking tools

Health and safety in construction

Communication in the workplace

In practical sessions you will learn to use a selection of hand and power tools to create joints and construct different woodworking projects...

In theory you will cover a range of subject areas to develop your knowledge of the woodworking industry...

PDT. During your personal development tutorials you will cover many different topics designed to develop you as an individual...

Work experience and employability.

This will help to prepare you for life after college and give you a better understanding of the world of work. It will also help you with interview skills and CV writing...

Maths and English.

Depending on your grades from school you will either do GCSE, Functional skills or if you have a grade 4 GCSE or above you will be exempt. **These subjects are really important if you want to be a woodworker...**

What's Next?

This course could lead on to...

Apprenticeship

An apprenticeship in either site carpentry or bench joinery.

L1 Diploma

A full time course at the college in Carpentry and Joinery.

Getting started on your career planning
